## What is Maintenance Mania?

A timed competition in which apartment Service Technicians complete maintenance-focused games. The Tulsa Apartment Association (TAA) Maintenance Mania is one of many competitions taking place around the country. If participant times are the fastest in our region, they will qualify for the 2020 National Maintenance Mania competition\* in Boston.

**We will be giving away over \$1,000 in cash prizes! Overall winners, and individual game winners will receive cash prizes & awards.** You don't have to be the winner to walk away with prizes, all Service Techs will be eligible to win door prizes. And don't forget about the Spirit Award for the best cheer squad (this award is for your office team)!

## Games

- AO Smith Water Heater Installation
- Frigidaire Ice Maker Installation
- Kidde Fire & Carbon Monoxide Safety Installation
- Kwikset Key Control Deadbolt Test
- Queenaire Shock Treatment Setup
- SmartBurner Heating Element Installation
- Smart Comfort Air Conditioner Repair
- Race Car Competition

## Race Car Competition

Service Techs build a race car from maintenance products ahead of the event, and then during the Maintenance Mania competition they race it down a 32' long track to see who's is the fastest. Style counts - cash prize awards will be given for style - Best Use of Maintenance Supplies & People's Choice. Once you register for the competition you will get the wheels for building your race car.
