← Community Challenge →

COLLECT THE MOST DONATIONS & WIN!!! Help us collect donations for Leah's Baskets at your apartment community, and if your apartment community collects the most items you'll win breakfast for your residents donated by Rasa Floors. **Contact the TAA office at info@taaonline.org if you want to sign-up your apartment community to participate.**

We can schedule a time to have a TAA volunteer pick-up the donations you collected on April 16th.

Any TAA Member is welcome to collect donations at your office/store, or make personal donations.

Leah's Baskets is the vision of Leah Graves, a childhood cancer survivor. She understood the toll it took on a family when they had a child in the hospital. As an adult, Leah made it her mission to bring a little comfort to the families of children with cancer. She started making "Baskets of Hope" to distribute to the St. Francis Children's Hospital Oncology Floor. Leah could not work due to complications from the radiation she was given, and she was purchasing these gifts out of her own pocket! Leah had a beautiful spirit and a heart of gold. Unfortunately, Leah lost her battle in 2013. The Tulsa Apartment Association now carries on her vision of Leah's Baskets.
